

# S5/6

## Prelim Timetable

### 3 – 17

## February 2012

Exams will begin on Monday 6 February for all senior pupils except for pupils studying Art who will commence on Friday 3 February. Pupils return to normal timetable on Monday 20 February.

Normal timetable will be modified during the main exam diet to provide an opportunity for exam revision. Rooms will be designated as study rooms which will be supervised by teaching staff who are S5/6 timetabled.

Pupils should ensure that they are aware of which level of paper they should attempt. Although most exams will be held in the Hall some exams will take place in departments. All pupils will be given exam seat numbers which they should check on the notice board at the main door entrance before each exam. Pupils should mark in the space beside venue the papers that they are sitting.
